

# Title Page

## Header

All pages need a header with the title of the paper and a page number.

- title
  - left-aligned
  - no more than one line in length
  - all UPPERCASE LETTERS
- page numbers
  - right-aligned
  - title page is number 1
- Arial 12 point font (See [Changing the Default Font](#) to change font to Arial.)
- leave space between a long title and the page number

See [Inserting Page Numbers and Headers](#) for how to insert headers in MS Word.

## Content Format

- double-space lines
- start text after 2 paragraph returns
- centre content

## Content and Sequence

- title of paper in Title Case Capitalization
- student name
- student number
- course name and/or course code
- course instructor
- due date

See the [APA Paper Template](#) for MS Word format of a title page.
